

Press Release - For Immediate Release

AMS Designs, Inc. is once again chosen by the media as an industry expert:

Chicago, Illinois: AMS Designs a salon specializing in all types of hair additions and hair extensions was once again chosen as a featured expert. ABC channel 7 News reported Janet Davies called upon Mr. Santangelo to help dispel some of the myths related to hair loss. Mr. Santangelo answered several questions regarding what causes hair loss, ways to prevent it and the solutions available to anyone experiencing hair loss.

This is not the first time Mr. Santangelo has been asked to represent the hair replacement industry by the media.

1. July 8th 1999 AMS Designs was featured in the Chicago Sun-Times Fashion section in the article titled Men's style starts at the top.
2. October issue Today's Chicago Women AMS Designs is the featured salon in an article titled Stylish Options For Thinning Hair. The article discussed the many options available for today's style conscious women.
3. February 2000 Anthony is interviewed by NBC 5 News for a segment regarding the "REAL" options available for people experiencing hair loss.
4. January 2000 AMS Designs in featured in the Mayor's "Chicago 2000" program. The program was developed in conjunction with the Tribune to showcase companies that signify the types of businesses that make Chicago work.
